Help a local family in their time of need

After spending time in the hospital, we learned what items hospitalized families need but won't leave their child's side to go to the store to get. To help families who are in this situation, we developed Kylie Care Kits.

KYLIE CARE KITS INCLUDE:

A cozy blanket, long distance calling cards, toothpaste, toothbrush, shampoo, lotion, flip flops (for the showers), deodorant, lip balm, laundry supplies, tissues, soap, gum, plastic bags that seal (to hold the toiletries), disposable cameras, Purell sanitizing lotion, a journal, and more.

Your $25 donation sponsors a care kit for a family who is living in the hospital. Mail your sponsorship to

The Kylie Jane Long Foundation
P.O. Box 645
Bath, Ohio 44210

Or go online to www.kyliejanelong.org

Also, if you know of a business who would like to make a product donation to add to our care bags, email info@kyliejanelong.org or call 330-808-KJLF
